From the Pastor

Catholic by Christmas: Beginning October 18 we will be offering an accelerated OCIA (Order of Christian Initiation for Adults) starting at 10:10 a.m. on Sundays in our social hall. If you know someone who is interested in joining the Church - be it an unbaptized person, a baptized person who would like to be received into full communion, or a Catholic who needs to complete their sacraments of initiation (Baptism, Confirmation, and Eucharist), this is an opportunity for them. As OCIA involves primarily going through the Catechism, it is also a good way for fully initiated Catholics to review their faith and learn more about it.

Please contact the parish office by phone 763.428.2828 or email sjbchurch@yahoo.com if you or someone who you know would be interested in attending and need to receive the sacraments, and if that person has already received the sacrament of baptism it would be helpful to have some sort of documentation of it ready to go (unless they were baptized here).

Classes will meet every Sunday from October 18 on, with the ultimate goal of administering the sacraments on December 13, to have more Catholics in our parish by Christmas. The traditional day for celebrating the sacraments of Initiation is the Easter Vigil, which this year is April 15, so we will be offering a more traditional course of OCIA beginning in February, and as always I am always available for one-on-one instruction.

As you all celebrate this weekend's masses, I'll be on day 1 and 2 of serious trail walking going to the tomb of St. James, and I will be praying for you all, and ask that you keep me in your prayers.

- Fr. John Powers

RELEVANT RADIO 1330 AM - Take your faith beyond Sunday and into the rest of the week with Relevant Radio! It's Talk Radio for Catholic Life!

ARCHBISHOP HEBDA'S LETTER TO FAMILIES IS HERE!

We know family life can be messy - even Jesus, Mary and Joseph lived amid the harsh realities of their own time. And our Church wants to walk with you and your families through these struggles, joys and everything in between.

Read Archbishop Hebda's pastoral letter to families, "Only One Thing is Necessary," available now at archspm.org/familyletter. Alongside it find a Small Group Guide, podcast recordings in both English and Spanish, and a way to order your own hardbound keepsake version of the letter. It is Archbishop's deep desire that, in it, **every** individual in this Archdiocese will see his or her role in the great task at hand, what's at stake, and how we can **all** strive to be united with our families and with each other, in this life and the next. Holy Family - Jesus, Mary and Joseph - pray for us.

STEWARDSHIP REFLECTION

"Do nothing out of selfishness; rather, humbly regard others as more important than yourselves..."
- Philippians 2:3

Pride and ego are hard things to control. We see how others act or dress and think we are superior to them. We idolize our own self-image. But, if we truly believe everything is a gift from God, we recognize all the people that God has put in our lives as gifts! We are grateful for how they enrich our lives. Pray every day for the people in your life: your family, your friends and those who make you angry.

CATHOLIC Q & A

ST. JEROME

Question: Who is St. Jerome and why is he so significant that we honored him with a feast on September 30?

Answer: St. Jerome (345–420) was considered the greatest biblical scholar of his day, conversant with Latin, Greek, and Hebrew. He set about translating the books of the Bible from their original languages into Latin.

Much of Jerome's correspondence has survived and gives us a powerful glimpse into the kind of person that he was, as well as the time in which he lived. Jerome eventually became Pope Damasus' (366–384) personal secretary. In the West, Latin was overtaking Greek as the language of the common people. The pope desired a translation of the Bible that would be accurately translated from the original languages into the language and idiom of the people. Previous Latin translations existed, but they were poor in quality.

Jerome set about this task and spent the rest of his life meticulously translating. He is credited with the translation of the Bible known as the Vulgate, a Latin translation intended to address the needs of the common people. That translation became the standard and the only one used by Catholics until modern times. Catholics did not actively engage in a similar process until 1943, when Pius XII allowed Catholic scholars once again to go back to the original languages and translate an accurate and meticulous version of the Bible. We carry on that tradition to this very day.
